

The Preschool Program at Temple Beth Israel has been offering rich early childhood experiences for children since 1984. Our teachers are highly qualified educators and dedicated to this school. We participate in yearly continuing education trainings, are certified in CPR/First Aid and have Food Handlers cards. TBI Preschool is licensed by the State of Oregon.

Children must be 36 months of age to enter, and can join us mid-year if there is space available. Toilet training is not required, but a diaper fee is charged until your child is toileting independently.

Our program begins at 9 a.m. and ends at 2 p.m. The children are divided into two groups, the **Weeschool for 3-4 year olds** and the **Preschool for children 4-5 years**. Each group has a well-rounded day, with many opportunities for age appropriate experiences. Our primary attention is on the "three S's" – security, socialization and stimulation. Daily experiences in social play, cognitive and manipulative activities, art, cooking, science projects and expressive language activities encourage children to grow cognitively and socially. Each day includes large motor activities, indoor and outdoor play, and a mix of active and quiet time. We celebrate many special days, have visiting specialists and explore our neighborhood. It is our goal to ensure that each child has a positive experience at TBI.

Unique to TBI Preschool, our Judaic programming is highlighted by our weekly Shabbat circle (on Fridays at 1:30) and our special holiday activities. These are extremely popular events and are always presented in a manner that is respectful of all. Families of all faiths and traditions feel welcome at TBI.

Children may attend TBI Preschool from 2-5 days per week, although for the Preschooler a minimum of 3 days is required. We are flexible in offering parents any combination of days, given space availability. A drop-in option for occasional extra care is an option, dependent on space availability. To assist working parents, we open our doors at 8 a.m. We follow the 4-J School District calendar for most vacations, including winter and spring break and snow days. We offer an 8-week summer program.

Our monthly rates for the coming school year 2011-2012 are:

5 days per week	\$480
4 days per week	\$452
3 days per week	\$404
2 days per week	\$365 (Weeschool option only)
