

Community Sisterhood of Temple Beth Israel

Our Sisterhood is a community of women joined together to accomplish more than each of us could do alone. Sisterhood offers an opportunity for women to share friendships and the work of our hands, hearts, and spirits for the benefit of our community.

If you are joining for the first time, or even if you are simply renewing your membership for this year and your data has not changed, please return this form with your suggestions and ideas and *please do let us know if you are a new member.*

Please tell us about your skills and areas of interest. What would you like to see us do more of? What might you contribute to make that happen? Are you willing to help set up, clean up, bake, cashier, or serve during an event? Do you have programming suggestions? Share them with us here, perhaps there are others who agree and would want to join in. The fun and rewards are in participating!

Ideas, suggestions, how I like to help, new member?

Name _____ Email _____

Address _____ City _____ Zip _____

Phone (H) _____ (C) _____
