

# Temple Beth Israel

Center for Jewish Life in Eugene, Oregon

## **RTF Updated Guidelines: September 24, 2021**

### **Services**

- For indoor services, all participants and attendees are required to be vaccinated, masked (covering nose and mouth), and distanced. Unvaccinated children are not permitted. Proof of vaccination is required when signing up for an indoor service.
- For outdoor services, masking and distancing is required. Proof of vaccination is strongly requested but not required, and unvaccinated adults and children are permitted.
- Pre-registration is required for all services.

### **Staff Vaccination**

- All staff is required to be vaccinated.
- All Talmud Torah teachers, tutors, mentors and volunteers must be fully vaccinated prior to having in-person contact with students.

### **Rental of TBI space to non-TBI groups**

- TBI may rent space to non-TBI groups if all group members are vaccinated. It is the responsibility of the group to verify vaccine status.

### **Return to TBI Premises After COVID-19**

- TBI staff and those who enter the TBI facilities who get COVID-19 can return to TBI two weeks after symptoms first appeared, with a negative COVID-19 test, or three weeks without a COVID-19 test.
- Those who contract COVID-19 may need to wait up to 20 days to return to TBI if they had a severe case of COVID-19 or if they are immunocompromised. A healthcare provider should be consulted.

All guidelines are subject to change.
