### **Level 5: Prayers and Torah Benchmarks**

In this class students will use the skills acquired in levels 1-4 to tackle decoding for pronunciation and meaning some of the prayers that students will need to use as b'nai mitzvah. They will also examine small passages from the Torah together. The prayers and passages will vary depending on the term, but they will be strengthening their grammar, vocabulary, and decoding skills regardless of the specific material. When the teacher believes students are comfortable enough, they are ready to move on to trope.
