B'nai Mitzvah Service & Program Attendance Tracker

Please see page 8 in the B'nai Mitzvah Family Handbook for an explanation of these requirements.

Remember, attending 18 services/events is the bare minimum needed for effective preparation. We encourage you to attend more as it will dramatically help students feel more comfortable and confident.

You can also find this tracker at https://www.tbieugene.org/education/bnai-mitzvah. Please use it to track your student's participation.
